Digital Preservation Action Plan
SHN Post-Conference Workshop - ATALM 2016
Part 4: Digital Preservation

Use this worksheet to think of three people who will be involved in Digital Preservation at your institution, a short list of the information you already know, and three activities or questions that you will begin in the next three months.

What roles in my institution are related to storage? Who do I need to talk to?
*List THREE people that you can discuss digital storage within the next few months. Can list roles or names:

1.

2.

3.

What do I already know? Or what do I already have in place?
*Make note of any steps you have already taken towards digital preservation:

What do I need to know or find out?
*List THREE questions you can answer or steps that you can accomplish related to digital preservation:

1.

2.

3.
